

Duco Shower Trays

The Shower Tray You Can Cut To Shape!

DucoLite Shower Trays

The Virtually Unbreakable Shower Tray That Offers Peace Of Mind

This innovative Resin Tray has been developed using the latest technology in design, manufacturing and materials.

The ABS acrylic capped outer shell gives a luxurious feel with heat retaining properties, whilst at the same time giving a tough and resilient surface in both smooth gloss and anti slip.

The resin structure gives total strength and the integral resin-bonded base ensures a simple and easy installation, whilst the total structure complies with Manual Handling Operation Regulations and makes this tray ideal for the retail and internet markets.
